

Have a Spicy Christmas at Shahi Maharani

Add a dash of spice to your Christmas feast by ordering our Tandoori Christmas Turkey!

Join “The Maharani”, in celebrating the holiday festive season with our Christmas Turkey & Chickens– a Christmas delicacy with an Indian twist which will excite your taste buds. It’s a culinary masterpiece that will make your Christmas memorable for years to come. Marinated overnight and prepared with aromatic spices, such as fenugreek, cinnamon, fennel seeds, coriander, rose water and mint leaves, which is then roasted to perfection in the Tandoor (hot clay oven). They come with 2 homemade delectable sauces – Makhni Sauce & Mint Yogurt Sauce. The other version is stuffed with minced meat Biryani which has been slowly cooked inside the bird and is a must try house specialty.

In addition, we will be making a whole leg of lamb (approximately 2.5 kg), marinated in a special spice paste, which will be then roasted in the tandoor. The lamb comes out so succulent & tender – it just falls off the bone. This can serve up to 6 -8 people.

All our Christmas offerings have an option to be wrapped in special festive packaging at an additional charge.

All our Christmas offerings are also 100% halal.

Duration: From now till 1st January 2024. 3 working days lead time required. As our capacity for each day is limited, please book early to avoid disappointment. (While stocks last)
